TAKE AIM ON PHEASANTS—Many Holland-Zeeland area hunters crowded into the fields today for the opening of pheasant season. With reports of more pheasants this year, more hunters were reported in the favorite hunting spots in Ottawa and northern Alle-

gan Counties. These two hunters (left to right), Gary Berens of 321 West 21st St., Holland, and Lekoy Wiersma, route 3, Zeeland, and Wiersma's dog were out at 10 a.m. for the opening. (Sentinel photo)

Hunters Report Conditions Good

Holland pheasant hunters took to the field at 10 a.m. today and conditions were reported to be good.

The pheasant crop is up this year in Ottawa County and northern Allegan County and many hunters headed for their favorite spots. The areas of Overisel, Jamestown, Forest Grove and Borculo were crowded with hunters.

Cars were lined along many of the county roads waiting for the 10 a.m. opening. Besides the many area hunters, sportsmen from Indiana, Illinois and Ohio were also reported hunting in the Holland-Zeeland area.

Several hunting accidents were reported in the first few hours. James White, 24, of 2403 North 30th St., Kalamazoo, was treated at Holland Hospital for a penetrating wound in the nose and discharged.

George Althoff, 14, of 1621 Jerome Ave., Holland, was treated for a penetrating wound in the forehead and discharged.

Clyde Merwin, 44, 2235 Heather St., Grand Rapids was treated at Holland Hospital for penetrating wounds of the face, neck and left hand and discharged.

John H. Laarman, 72, route 2, Holland received a gunshot wound over the right eye and was to be treated by a Holland physician.

Harold Twinning, 18, of route 1,

Byron Center, was treated in Zeeland Hospital for a forehead wound and discharged.

Costello Warfield, 46, is in St. Mary's Hospital in Grand Rapids after he was "riddled" with buckshot. Kent County sheriff's deputies said. He was hunting near Jenison in Ottawa County and X-rays were to be taken.

A hunter was also reported wounded in northern Ottawa County and was treated at Municipal Hospital in Grand Haven. Several hunters reported early pheasant kills and veteran hunters said that fields had never been so cluttered with hunters. The reports of an increase of pheasants brought out the hunters and they verified predictions with many pheasants spotted.

Mrs. Almer Vanden Bosch, of route 2, Holland went hunting for the first time this morning and bagged a fox on Riley St., between 104th and 112th Aves.

Rain soaked the dead leaves and grass throughout most of the area Wednesday, enough to kill the sound of hunter's footsteps.

The ringneck crop this year is reported improved in many areas, about the same as last year in others. In some areas, including the famed Thumb pheasant range, a 20 per cent increase in the crop over last season is estimated.

New Committee Will Study Full Time Recreation Leader

City Council Wednesday night approved appointment of a subcommittee under the Joint City and School Recreation Committee to study possibilities of a full time recreation director for the city for next year.

Appointed to the committee were School Supt. Walter Scott, Mayor Robert Visscher, Joseph Moran, Harvey Buter and Councilman John Van Eerden.

Van Eerden, chairman of the joint committee, also reported on playground developments at Montello Park school and Apple Avenue school, listing \$3,000 from the capital improvement fund for the Montello Park developments and \$2,850 at Apple Ave. Listed for Montello Park school are a 60 by 90-foot basketball area with stabilized gravel base, two basketball backstops, \$150 contingency fund, two softball backstops and a set of horizontal bars. Listed for Apple Avenue school are a 60 by 90-foot basketball area, relocated swings and softball diamond, new backstops, resurfacing and a set of horizontal bars.

A letter from Alfred H. Brinkman of Lake Shore Bus Line advised Council that due to lack of patronage and the high cost of operation he has been forced to cancel most of his service routes held under the city license. Later in the evening, the city clerk reported that Alvin Vander Kolk of the Holland Inter-City Bus Lines has a bus available for service to the west area of the city, and a schedule could be worked out to provide two or three trips in the morning and two or three trips in the afternoon.

Council okayed the recommendation to suspend the bus license of the Lake Shore line for operation in the city and the city manager was instructed to arrange with the other bus line to work out a tentative schedule and begin immediate services to said area, with the schedule to be approved by Council at the next regular meeting. Brinkman was present and informed Council he was aware of the rules that govern such programs.

Federal Aid Possible for City Sewers

Holland has been granted a tentative priority of 12 points for federal aid in the city's proposed sewer treatment program, City Council was informed at its regular meeting Wednesday night in City Hall.

The communication from the Michigan Water Resources Commission advised that further consideration will be given at a meeting of the commission Nov. 1 in Lansing. The communication was referred to the Board of Public Works.

It was explained that more than 35 municipalities have applied for federal aid in sewer improvements in Michigan, and the applicants were rated in a range from 2 to 14 points. Holland passed a \$1.6 million bond issue earlier this year to help finance a new sewage system. Other revenue for the proposed improvement comes from sewer service charges.

Council was informed of developments for a flasher signal at the 32nd St. crossing in a communication from the Michigan Public Service Commission together with a report of the railroad safety inspector for grade crossings. Unless a hearing is called within 21 days, installation will proceed in accordance with the safety inspector's report. The communication was referred to the city manager for report at the next meeting. The letter contained considerable technical data.

Council granted permission to local 931 (IUE) to erect a 4 by 8 foot shelter on the city right of way for pickets on duty at the General Electric plant, subject to discretion of the city manager on placement of the shelter so that it does not interfere with traffic or safety.

On recommendation of the city attorney, the motion also included that the agreement for a temporary structure be set up on a license agreement by which the city is not held responsible for damage which might be caused through the temporary placement. Any such agreement is revocable on notice of Council. Request for placement came from Al Wassink, union president.

Council approved a recommendation of the city clerk for renting two voting machines with option to buy from the Automatic Voting Machine Division of the Rockwell Manufacturing Co. at a rental price of \$150 each. The machines are needed in the Allegan county precincts of Holland city.

Council adopted a recommendation of the Traffic and Safety Commission to retain the safety sign adjacent to City Hall at its present site. A letter from the Holland Garden Club had requested that the sign be moved to another location, but the commission felt the sign serves an important safety function in the city and serves its purpose most effectively where it is.

City Clerk Clarence Greengood reported having held an election among municipal employees to select an employee delegate and alternate to the meeting of the Municipal Employees' Retirement System Oct. 27 in East Lansing, and reported Paul De Vries had been elected employee delegate and Mavis Van Dis, alternate. Council certified these two delegates along with City Auditor John Fonger and City Clerk Greengood who previously had been appointed officer delegate and alternate.

Council approved a recommendation of the city clerk for purchasing a one-way trip moldboard plow and one Vee type plow for the

Mrs. Gerrits' husband, Ralph, 61, suffered multiple abrasions of the face, fractured jaw, fractured right collar bone and possible internal injuries. He was reported in fairly good condition today by hospital officials.

Allegan County deputies said the driver of the truck was Paul Allen Schaap, 20, of 18½ East 16th St., Holland. Schaap was not injured in the accident, deputies said.

Gerrit's car overturned after the collision, coming to rest on its top in a ditch along 146th Ave. The truck driven by Schaap was spun around by the impact and tipped over on its side, deputies said.

Deputies today were continuing their investigation on the collision. They said standing corn along the roads at the intersection may have obscured the vision of one or both drivers.

Two Persons Are Killed In Car-Truck Accidents

RURAL HOLLAND WOMAN KILLED—Mrs. Josie Gerrits, 60, of route 5, Holland, a passenger in this car, driven by her husband, Ralph, 61, died of injuries received when the car collided with a truck (rear) driven by 20-year-old Paul Allen Schaap of 18½ East 16th St., at 6 p.m. Wednesday at the intersection of 146th Ave. and 50th St. in Fillmore Township. (Sentinel photo)

CAR, TRUCK IN FATAL CRASH—Gerrit Brinks, 76, of Grand Rapids, driver of this car, was pronounced dead on arrival at Holland Hospital with injuries suffered when his car was struck broadside by a truck (extreme upper left) driven by 46-year-old Harry Meekhof of Hudsonville Wednesday afternoon at the intersection of M-21 and 112th Ave.

Brinks' death brings the total number of traffic fatalities in Ottawa County in 1960 to 15. At this time last year 16 persons had been killed in traffic mishaps. The truck standing behind Brinks' car was not involved in the accident. (Sentinel photo)

G. Brinks Dies of Head Injuries

Brinks Auto Struck Broadside by Truck On M-21 and 112th St.

An elderly Grand Rapids man was killed Wednesday afternoon in a car-truck crash at the intersection of M-21 and 112th Ave., east of Holland.

Gerrit Brinks, 76, of 826 Thomas St., S.E., was pronounced dead on arrival at Holland Hospital of injuries suffered when his car was struck by a loaded two-trailer gravel truck at 3:45 p.m.

Attending physician Dr. Warren K. Westrate said death was caused by head injuries.

Ottawa County deputies identified the driver of the truck as Harry Meekhof, 46, of 5463 Pleasant St., Hudsonville. Meekhof was not injured in the crash, deputies said.

Deputies said Brinks, who was headed north on 112th Ave., apparently became confused and drove into the path of the truck driven by Meekhof, which was headed west on the divided highway.

Several witnesses reported that Brinks, after crossing the east-bound lane of M-21, stopped in the intersection and then turned to go east in the westbound lane of the highway, deputies said.

Brinks then stopped his car and backed into the intersection again before attempting to proceed west on M-21. Deputies said he had started into the lane of traffic when the collision occurred.

Brinks' car was hit broadside by the truck which was carrying about 25 tons of gravel, according to officials of the Kalkman Redi-Mix Co. of Holland, owners of the truck.

The force of the impact knocked Brinks' car 185 feet across the median strip of the highway and into the eastbound lane, according to deputies. Skid marks indicated that the truck skidded 41 feet before the impact and 137 feet after the collision, deputies said. Brinks' car was struck on the right side.

Brinks is survived by a daughter, Mrs. S. Guikema; three sons, Robert E., Gerald and Charles, all of Grand Rapids; nine grandchildren; four brothers, George Brinks of Holland, Herman Brinks of Zeeland, Richard Brinks of Jenison and Henry Brinks of Grand Rapids; six sisters, Mrs. Grace Van Liere and Mrs. Jennie Van Liere of Holland, Mrs. Joe Vene-man of Eastmanville, Mrs. William Weemhof, Mrs. Fanna Poll and Mrs. Christine Vander Wal, all of Grand Rapids.

Funeral services will be held Saturday at 3 p.m. at the Zaagman Funeral Home in Grand Rapids with the Rev. John A. Mulder of the Sherman Street Christian Reformed Church officiating. Burial will be in Garfield Park Cemetery.

Friends and relatives may meet the family at the funeral home tonight from 7 to 9 p.m. and Friday from 3 to 5 and 7 to 9 p.m.

'Inside Holland' Mailed in City

The first issue of "Inside Holland," published quarterly as a public information service, is in the mail today for city residents.

The eight-page publication is designed to create greater citizen interest and insight in city affairs, reviewing the broad scope of municipal operations with an underlying purpose of developing a better understanding of them.

Stories in the first issue deal with city growth, the complications of proper zoning, the split of the tax dollar, one-way streets, parking lots, Civic Center functions, Holland Hospital, Herrick Public Library, and the BPW expansion program. Expense of printing the publication was privately underwritten.

Board Approves Record Budget

GRAND HAVEN (Special) — After a long session Wednesday afternoon, the Ottawa County Board of Supervisors finally adopted its 1961 budget calling for a record operating total of \$1,126,237.57.

Last year the operating budget totaled \$1,002,238.29 but the county raised an additional \$169,985 for the improvement fund.

Although \$1,126,237.57 is the same total advanced in the original budget submitted last week, there have been several adjustments within the budget and the contingency item of \$72,147.91 has been adjusted to \$65,737.91 to balance the totals. Last week the board approved spreading 3.91 mills on equalized valuation, which will raise the total listed. Millage spread last year was 4.43 mills.

Discussion continued Wednesday on the sheriff's budget, and the final outcome was that Sheriff Bernard Gysen will have four new deputies but that his department also must take care of the dog problem.

The procedure seemed complicated since the board first voted to allow three deputies instead of four. Then a motion by Lawrence Wade of Holland to hire two dog wardens at salaries of \$4,200 with a total budget of \$12,000 was defeated 17 to 14. Henry Slaughter's motion that the sheriff's department handle notices to dog owners was amended to provide for an additional deputy for enforcing the dog laws, and it carried 18 to 13.

There was no further discussion on furnishing for the new jail but this subject is expected to come up before the October session adjourns. The tentative report from the buildings and grounds committee list furnishings totaling \$15,752.50 which will come out of this year's contingency fund. The question of furnishings is currently under study by the sheriff's committee.

The names of Marvin J. Overweg, principal of Hudsonville Public schools, and Police Chief Richard Klemp of Grand Haven were added to the County Juvenile Home committee which is headed by James E. Townsend of Holland.

The question of a new ordinance on sanitation and sewage for the county which was presented by a special committee earlier in the session was further discussed Wednesday afternoon and then tabled until the next session. Precursor James Bussard and County Engineer Henrik Stafseth explained the proposed ordinance. All board members were instructed to study it before next session.

The board will reconvene at 1 p.m. Friday and members will visit the county farm at Eastmanville later.

Driver Cited in Crash

ZEELAND (Special) — Ottawa County deputies charged Glenn Allen Brouwer, 21, of route 3, Adams St., Zeeland, for failure to observe an assured clear distance after the car he was driving struck the rear of a car driven by 61-year-old Henry Prys Sr. of Grand Rapids, at 9:55 a.m. today on Adams St., one-quarter mile west of 6th Ave.

Zeeland Blanks Hudsonville, 15-0

HUDSONVILLE (Special)—Zeeland High's football team stopped Hudsonville, 15-0 in the battle of the unbeaten here Friday night before more than 2,500 fans at the Hudsonville Athletic Field.

The win was Zeeland's fifth straight while the Eagles are now 4-1. The Chix will host West Ottawa next Friday and Hudsonville entertains Kelloggsville in an O-K League game.

The Chix blocked a Hudsonville punt in the first quarter for a safety. Zeeland moved the ball to the four-yard line, fumbled and the Eagles recovered.

Hudsonville tried to punt and Bob Meyers and Dave Arendsen came charging through and slammed the punt and the football rolled out of the end zone for a safety.

Zeeland scored its first touchdown in the second quarter on a three-yard quarterback sneak by Chuck Ter Haar. The drive started at midfield and featured a 27-yard run by Jim Elenbaas. Ter Haar's kick was blocked.

The final score came with 1:30 left in the game. Ter Haar, who was back to pass was rushed, and skirted left end for seven yards. He then converted to complete the scoring.

Zeeland drove to the six-yard line in the third quarter but were stopped and the Eagles took over. Hudsonville moved the ball to around midfield and were squelched and the Chix then began their second touchdown drive.

The Chix defense gave the Eagles only 66 yards. The Eagles made 24 yards in the first period, 16 in the second quarter, 31 in the third quarter and 17 in the final frame. Zeeland picked up 190 yards rushing and Ter Haar hit eight of 18 passes for 70 yards.

Bob Elenbaas led Zeeland with 95 yards in 21 tries while Ron Glass had 45 yards in nine carries and Jim Elenbaas had 31 yards in four tries. Bruce Elenbaas made 21 yards in six attempts for the losers while Larry Boldt had 18 yards in six tries and Don McCow, 28 in seven.

Ter Haar blocked a second Hudsonville punt in the second quarter.

Coach Jarold Groters felt the Zeeland defense, which has been the highlight of the season, "was good but not great." "Our defense against Ravenna in the second half was the best of the season," Groters said.

"We didn't have the same desire to fight like we've had in other games this season," Groters said, "but our defensive play actually won the game as we were able to contain Hudsonville." "On the whole, we lacked the heart to go full blast," Groters said.

Hudsonville was the second team the Chix have shutout this season. Zeeland blanked Grandville, 12-0 in the opener and gave up one touchdown in the other games.

Bob Schrottenboer and Meyers led Zeeland with 11 tackles each while Bob Elenbaas had eight and Arendsen, six. The two blocked punts were the defensive high-Groters felt.

On offense, Groters said the Chix were plagued with costly fumbles and dropped passes and the blocking was "shoddy" with missed assignments. "We lacked the long runs, customary in past games," Groters said. He singled out Chuck Ter Haar's performance at quarterback. "He was hitting his receivers and called a good game," Groters said.

"We never got out of the hole," Coach Dame Kemper of Hudsonville said. "We fumbled five times and lost the ball five times and the blocked punt gave them a safety," Kemper said.

"Their defense stopped us and we couldn't muster an offense to where we could throw a lot," Kemper said, "but the kids never gave up and fought back on defense." "We gave them too much in the first half with the fumbles and they had too much experience, were too big and played a good game," Kemper said. He praised the work on his defense unit, which at times, he said, played well and came through when they had to, to stop Zeeland drives.

Kemper singled out Dave Van Zoeren, defensive linebacker, who played "a terrific game." "Hudsonville's pass defense was the best we've faced this year," Groters concluded.

Chuck Shuck of Holland finished in second place in 9:34 while Carl Stool of Holland was fourth behind Sibley of Portage. Al Hoffman of Holland took fifth and Dan Wightman was sixth. Kribs and Scott of Portage grabbed the next two places and Ned Gonzales rounded out Holland's pointmakers with a ninth-place performance.

Fennville Squeezes By Lee, 13-12

GRAND RAPIDS (Special)—Fennville's Blackhawks held onto the ball most of the night, but were able to score with it only twice, as the Al-Van League leaders eked out a 13-12 win over Grand Rapids Lee in a non-league game here Friday night.

The Blackhawks did it the hard way as their first touchdown in the first quarter, biting off yardage in small chunks in a 70-yard drive to the goal. Fullback John Damanskas capped the drive with a ten-yard gallop up the middle for the touchdown. Chuck Kwiatkowski converted to give Fennville a 7-0 first quarter lead.

Fennville quarterback Ted Straud took to the air for the second tally in the second quarter, hitting Doug Billings with a 20-yard aerial for the touchdown. The 60-yard drive had been featured by three ten-yard pass plays. The conversion attempt failed.

Lee scored in the second quarter on a 40-yard sustained drive, and again in the third frame on a 20-yard pass play. Both tries for the point after were no good.

For Fennville, it was another game to hang on the end of a win string which now measures 21 straight. The string covers three seasons. Coach Sam Morehead credited Keith De Zwaan, a guard, Henry Barnes, guard-halfback, and Paul Mesyar, another halfback, with helping the Hawks to move the ball offensively. One Fennville touchdown was called back by a penalty in the second quarter.

Bruce Stevenson, Bill Watts, Jim Luna and Jim Jones bucked up the Fennville defense to contain Lee most of the night. Morehead said.

Fennville goes back into Al-Van league action Friday night, entertaining Gobles at Fennville.

7th Graders Stage Game

Holland's seventh grade Red team defeated the Grey team, 14-13 Friday night in Riverview Park prior to the Holland-Grand Rapids Union game.

An eight-yard pass play from Tom Prins to Larry Pete in the closing seconds gave the Reds the tying touchdown and Mort Van Howe dived over for the winning extra point.

The first Red tally came on a 25-yard intercepted pass by Tom Prins. He then sneaked over for the extra point.

The Greys scored their first touchdown on a 15-yard intercepted pass by Steve Millard. Paul Prins sneaked for the extra point. The Greys went ahead in the game when Hans Kleinhuis ran 20 yards on a reverse. The extra point try was missed.

Members of the Grey team were: Kleinhuis, Mike Lawson, John Ten Cate, Tom Thomas, Prins, Greg Gilbert, Mike Gervigan, Paul Kuiper, Dennis Webb, John Dalmann, Earl Van Voorst, Larry Driy, Jim Russell, Frank Tooker, Larry Caste, Dennis Haner and Steve Millard.

The Red team members include: Prins, Mike Bos, Pete, Bob Brollin, Dean De Ridder, Van Howe, Ron Pas, Steve Harrington, Dave Taylor, Terry Essenburg, Dale Flowerday, Jim Robbert, Mike Slag, Leon Kraai, Jim Morse, Jim Van Huis and Lon White.

Ernest Meyer, 74, formerly of Holland, died Thursday evening at a Kalamazoo Hospital.

He is survived by two sisters, Mrs. Esther Prundt of Holland and Mrs. Ted Stephens of Seattle, Wash., one brother, Paul of Kalamazoo and several nieces and nephews.

RUNS FOR GAIN—Chuck Klompars (13), Holland High halfback, moves for a short gain early in the football game Friday night against Grand Rapids Union before Mike Van Duinen (15) applies the tackle. Other Holland players are Buel Vanderbeek (62) on the ground and Jim De Vries (86) while the other Union players are Tony Symko (12) and Pete Mervenna. Holland won the game, 33-12 for its third win in five starts while Union is now 0-5.

Smith Scores Three Times In 33-12 Win

After exchanging two touchdowns apiece in the first two periods, Holland High's football team settled down and ground out a decisive 33-12 decision over Grand Rapids Union here Friday night before 2,300 fans, the smallest crowd of the season, in Riverview Park.

The victory pushed Holland to a 3-2 record for the season and left the Red Hawks with an 0-5 mark.

Gary Smith, 5'7", 170-pound senior halfback, sparked the Dutch with three touchdowns, two by land and one by air from Rog Buurma and had another touchdown called back because of a penalty. He also made three conversions. Chuck Klompars, 5'11", 180-pound senior, and Bob Manglitz, 6', 170-pound junior scored the other Holland tallies.

Smith turned in his best running of the season and scored his touchdowns on reverses. Klompars also ran his hardest to date while Manglitz also ran hard. It was Holland's top point total this season.

Smith, who scored his first touchdown five plays after the game had started, ripped around end on a 20-yard reverse. Union kicked off and Holland began its drive on its own 31 and paced by Klompars' 30-yard run, moved to the 20 in four plays where Smith went over.

The touchdown came with 9:18 left in the first quarter and a Buurma to Smith extra point pass was incomplete. The lead was short-lived. Tom Kanosa, 5'7", 160-pound senior, grabbed the ball two plays after the kickoff and romped 54 yards to the Holland 11 where he was hit from behind by quarterback Buurma.

Four plays later halfback Mike Van Duinen smashed over tackle for the touchdown. Tony Symko's kick was not good? Then it was Holland's turn and after the kickoff was taken on the 34, the Dutch retained possession until they had driven for the go-ahead touchdown.

It took 19 plays and most of the time remaining in the period to score. Klompars went the last four yards with 58 seconds left. Smith, a left footed kicker, then displayed a new talent and converted. Union got one more scrimmage play in the quarter before the horn.

But the Red Hawks kept possession and on the first play of the second period Kanosa was again off to the races on the same end run. This time he scampered 55 yards to the Holland 21 and was bumped from behind by Klompars and Jim Bouwman. It took Union eight plays to score and Van Duinen ran the last two. Symko missed his kick with 8:10 left in the half.

With 2:30 left in the first half, Buurma tipped up a Union aerial and then snagged it on the Holland 45 and ran to the Union 20 to set up the third tally. He hit end Ben Farabee with a fourth down pass on the Union 16 for a first down and on the next play threw a perfect pass to Smith, who snagged the ball away from two defenders, in the end zone. Smith's kick then skimmed the cross bar by a couple inches with 25 seconds left and Holland led 20-12 at half.

Many fans were looking for a repeat of last year's 43-33 contest because of the flurry of first half scores. But Holland's defense made some adjustments at half, the end defensive patterns were changed and the Dutch dominated the rest of the game.

Holland took a Union punt on the Red Hawk 45 early in the third period and began another drive which was climaxed nine plays later on a five-yard cross-back by Smith with 4:46 left in the period. He again just cleared the bar to put Holland in front 27-12.

Another Union punt was returned to the Red Hawk 41 by Gary Teall and in six plays Manglitz had his chance and charged around end for 27 yards with 11:15 remaining to play. Buzz Becker, another left footer, missed the kick to give Holland a 33-12 margin.

With Holland subs filtering in with lineup, Red Hawks got in another drive in the waning minutes and advanced from the Union 40 to the Holland nine when the game ended.

The called back touchdown in the second period was the sixth nullified tally for Holland this year. Smith carried on a reverse for 30 yards for the score, after Buurma had hit Russ Kleinhuis with a 30-yard pass play. Six plays after the illegal procedure stopped the score, Klompars made his tally. Although Union did a good job of

Gary Smith ... scores three times

containing Holland's passing game. Buurma was able to complete six of eight aerials for his best percentage for 85 yards. This is the fewest number of passes the Dutch have thrown this year. Holland rushed for 253 yards, including halves of 121 and 133 yards.

Coach Bill Hinga felt the Dutch were "down" in the first half and their play showed it. But Holland picked up in the second half as the Dutch showed more desire, sharper tackling, smoother offense and a changed style of end play designed to stop Union's wide game.

Hinga slapped out at the crowd and felt that the "poor crowd affected Holland's first half play." "They (the fans) have a chance to see good football and then let a few rain drops scare them away," the Holland coach said.

He again complimented the defensive play of guard Bob Klaver and Buurma and the end play of Jim De Vries and Farabee. He felt tackle Derk Van Raalte filled in well for John Stam who was hit by the flue during the game. Hinga praised the running of Klompars and Smith and Teall, for his work on the punt returns, while Buel Vanderbeek was "solid" at guard and Paul Bast looked strong on defense.

Larry Mannes boomed a kickoff to the Union goal line for one of the big crowd-pleasing features. "They (the fans) have a chance to see good football and then let a few rain drops scare them away," the Holland coach said.

West Ottawa Record 26-7 Home Victory

West Ottawa High's football team won its first football game in its history with a 26-7 trouncing of Orchard View of Muskegon before 750 fans Thursday night in Riverview Park.

The Panthers, who had dropped three straight games, capitalized on two fumbles and a pair of intercepted passes to score the touchdowns in the first three quarters.

Coach Ron Wetherbee and his aide Pete Roon were able to empty the bench and used all 37 members of the team. Wetherbee was pleased with the progress of his team and felt it was "the first time the Panthers have been in the game" in the four starts.

West Ottawa stuck for its first touchdown with 17 seconds left in the period when quarterback Bill De Graaf scored from the one-yard line on a rollout. Spark Overway passed to Marinus Donze for the extra point.

Overway set up the touchdown with a recovered fumble on the Orchard View 30 and in seven plays the Panthers were home. Bob De Ridder was the next alert Panther and pounced on a Cardinal fumble on the Orchard View 15 with 3:46 left in the first half.

Richard Nienhuis, playing his first game of the season, cracked off tackle for the final three yards five plays after the recovery. Ed Terpstra's plunge for the extra point was stopped with 1:36 left and the Panthers led 13-0 at half.

Intercepted passes took care of the next two touchdowns. Terpstra, 200-pound tackle, smashed into the Cardinal backfield on the second scrimmage play of the second half and picked off a pass by Chuck Wright and, with a three-man escort, pounded 22 yards to score. He then smashed off tackle for the extra point to give the Panthers a 20-0 lead.

Two plays after the kickoff, Marty Vander Water snared a Cardinal aerial on the Orchard View 25. Bruce Johns cut off right tackle to the six-yard line on his first carry and on the next play Johns ran six yards off tackle to paydirt with 8:03 remaining. Dale Cramer's kick was blocked.

A West Ottawa punt, which hit the Panther blocker in the leg and carried one yard, gave Orchard View the ball on the West Ottawa 34 and with the help of a 15-yard personal foul penalty, the Cardinals scored in four plays.

Tom Wele ran 10 yards around right end with 1:52 left to score just as a drizzle hit the park. Ed Doriot passed to Don Wilson for the conversion.

The Cardinals had another touchdown called back late in the game. After West Ottawa had taken the kickoff and driven to the Orchard View 15, Chuck Gardenour, an alert freshman, picked up a Panther fumble on the 22 and ran the length of the field. But the play was nullified because of clipping penalty.

On the next play, with the scrimmage on the Cardinal 22, Doriot broke off tackle on a crossback and scampered 60 yards to the West Ottawa 18 where he "ran out of gas" and was caught from behind by De Graaf. The Cardinals, a ninth and 10th grade school, had some fast backs in Doriot, Dick King, 114 pounds and Chuck Wright, 118 pounds. Because of the freshmen and sophomores the quarters were 11 minutes.

Wetherbee was particularly pleased with his freshmen and singled out the work of Gale Romine, Johns, Steve Piersma, and Tim Calvo. Marinus Donze re-injured his ankle during the second touchdown drive.

West Ottawa held the Cardinals to only 29 yards rushing in the first half while picking up 91. The Panthers gained 87 in the second half on the ground and the losers, 89, including 60 yards on one play. Jack Van Schelven and Doug Poort, former Grand Haven athletes, are the Orchard View coaches.

West Ottawa will play at Zeeland next Friday night. The Chix will not use seniors in the game.

Miss Sharon Ann Crawford

Mr. and Mrs. Donald J. Crawford, Lawndale Ct., announce the engagement of their daughter, Sharon Ann, of Boston, Mass., to Ensign William R. Brookstra, son of Mr. and Mrs. Clarence L. Brookstra of Davenport, Iowa, and Holland.

Miss Crawford was graduated from Kemper Hall, attended Sophie Newcomb College, New Orleans, where she was affiliated with Kappa Alpha Theta sorority and was graduated from Hope College, where she was a member of Sigma Sigma sorority.

Mr. Brookstra was graduated from Hope College where he was a member of Omicron Kappa Epsilon fraternity. He was in the Men's Glee Club, Chapel Choir, and football team. He will report for duty later this month at the U.S. Navy Supply School, Athens, Ga. Both young people attended the Hope College Vienna Summer School. A February wedding has been planned.

Short Plays Effectively Presented

Palette and Masque of Hope College dipped into deep drama for its first presentation this season, choosing two one-act plays, a secular play by an Irish playwright and a religious drama by a French writer.

It was an experience rather than entertainment to witness "Riders to the Sea" by John Millington Synge, the story of the effect on the women at home of the loss of the last of their men at sea. Similar in tone but paced with more zest was "The Way of the Cross," a moving drama by Henri Gheon of Christ's cross-bearing walk to Calvary, the crucifixion and the hope of the world through the risen Christ.

Some may question the choice of such plays for Homecoming crowds on the campus this weekend in the belief that something lighter with a few laughs would be happier fare for returning alumni.

The plays, presented for the first time Thursday night, was given again Friday and Saturday at 8:15 p.m. in the Music building. Nancy Raymer as Maurya in "Riders to the Sea" gave a moving performance as the bereft mother, with strong support from Nancy Rees and Barbara Walvoord. Others in the well rounded cast were Lew Scudder, Jane Van Tatenhove, Ruth Flikema, Milt Nieuwsma and Bob Jaehnn.

"The Way of the Cross" was produced by the Hope College Religious Drama Co., originally organized by Theater Director Dale S. De Witt, presently on leave of absence in Europe. While the short play may have lacked the full impact of the previous plays of "The Sign of Jonah" and "Murder in the Cathedral," the production moved easily and effectively towards its climax.

Appearing in the religious drama were Mary Van Dyke, Robert Fisher, Ruth Vander Meulen, Red Zegers, Sharon Norris, Carl Benes and Donna David. David Karsten of the drama faculty directed both plays.

McNamara And Lesinski Visit Holland

About 60 persons gathered in Democratic headquarters Tuesday morning to greet U.S. Senator Patrick V. McNamara and T. John Lesinski, Democratic candidate for lieutenant governor.

McNamara spoke at some length on the unemployment problem and its relation to the gross national product which he said has been increasing at a much lower rate under the Eisenhower administration than had been prevalent under Truman. He emphasized his support of federal aid to education and said it was a tool of defense which may be ranked on equal terms with arms and military power.

He said it was hardly appropriate to talk about the "golden years" of retirement when 60 per cent of those 65 and over live on less than \$1,000 a year. He said elderly persons are afraid to spend their savings because of their fear of illness and often live on bread and soup. He also criticized the

(U.S.) Sen. Patrick V. McNamara

president's use of the veto against the area redevelopment bill and the anti-water pollution bill, both of which had passed Congress. Lesinski explained the Democratic program of taxation which would tap sources of revenue primarily on the basis of ability to pay rather than extending and increasing the sales tax by one-third since this falls most heavily on those least able to pay. He criticized Republicans for talking about improving job possibilities in the state and at the same time taking away \$20,000,000 from the pockets of those who would have to spend the money for goods and services thus helping create more jobs in Michigan.

Ralph Richman, Democratic candidate for state senator, introduced Lesinski and Mrs. Charles Murrell, hostess for the meeting, introduced Sen. McNamara.

GE Reports 'Sabotage' At Local Plant

Several incidents of sabotage at the Holland General Electric plant were disclosed Tuesday by Ab Martin, general manager of the company's Hermetic Motor Department.

The local plant has been idled by the Oct. 2 strike called by the International Union of Electrical Workers, AFL-CIO. Peaceful picketing prevailed today as 24 employees passed through picket lines to report for work.

Martin said the acts of sabotage including breaking or stealing of key parts on some pieces of production equipment, the attempted jamming of one large piece of equipment, damaging an electrical circuit, and on at least two occasions scattering nails and other tire-puncturing devices on the driveway and employees' parking lot at the plant. Some of the incidents apparently occurred before the strike was called and some occurred during the course of the strike.

Martin explained that some of the sabotaged equipment showed impact marks of blows from a heavy object. In other cases, he indicated that the stolen parts could have been removed only through the use of tools.

"Such obviously intentional destruction could have resulted in costly damage to the affected machinery had it not been found by special inspections," he said. "More important," he continued, "was the possibility of serious personal injury to employees operating sabotaged equipment."

As a precaution against further similar incidents, the guard force at the local plant will be enlarged somewhat during the remainder of the strike, Martin said.

Weston Seeks Third Worker For Allegan

ALLEGAN (Special) — Probate Judge Harold Weston charged that Allegan county supervisors had "tied his hands" by refusing his requests for a third juvenile case worker every year for the last three years.

"We are actually encouraging delinquency," Weston told the board as he renewed his plea for a third staff member, "when we are forced to give only token consideration to cases of neglected or delinquent children."

His request for a third case worker, at an annual salary of \$4,000, was referred to the salaries and finance committee for study.

The board of supervisors adjourned Tuesday at noon, to give judiciary, salaries and finance committees a chance to complete lengthy reports upon which the 1961 county budgets will be based. The entire board will reconvene Monday morning.

There was good news and bad in a report from the county health department presented the board by Miss Ruth Smith.

Miss Smith, director of nursing, said she was presenting the department's quarterly report because of the resignation, effective Sept. 1, of Dr. Emma G. Burt, department director for the past year, now a state health department staff member in Lansing.

The good news was included in Miss Smith's report on communicable diseases which revealed that polio was at an all-time low in the county. She reported that only 67 cases of polio had been reported for the year thus far, compared to 352 for a similar period last year. The county's all-time high was reached in 1958 when a total of 853 cases was reported.

In other actions of the board: Members voted to take no action on a request for revision of plans for the new county building which would have provided more space in the jury room.

Authorized the finance committee to award contracts for short term tax bonds for city and township directors, with bids to be submitted prior to Nov. 7.

Approved a \$400 appropriation for the Salvation Army, \$300 for the Michigan Children's Aid Society and a \$7,500 supplemental appropriation for the probate court's child care fund.

40 Present At Forum on Delinquency

"Juvenile Delinquency and Adult Responsibility" was the subject under discussion at the Holland Public Forum in the auditorium of Herrick Public Library Monday evening.

Approximately 40 persons participated in the discussion which was moderated by Municipal Judge Cornelius van der Meulen. Hon. Frederick T. Miles, Judge of Probate Court, Arthur L. Olsen, juvenile agent, and Dr. Bernard Vanderbeek, pastor of the First Presbyterian Church of Holland, formed the panel of resource persons.

Questions referred to the panel by the participating audience covered many aspects of the delinquency including that of delinquent parents. Judge Miles gave a legal definition of a delinquent and explained the aim of probation in the rehabilitation of such juveniles. The merit of present day methods of working with a child through a wise counseling and rehabilitation program as contrasted with an antiquated system of punishment tailored to the severity of the crime was forcefully brought out.

Dr. Vanderbeek discussed the responsibility of the church to young people in their formative years and its responsibility to carry its ministry to homes and environments where conditions are such that the delinquency incidence is at a high rate. He also emphasized the principal of correctly disciplining the child when indicated but always in love and concern for the child rather than in the spirit of revenge.

Olsen pointed out the types of home and neighborhood environment most conducive to juvenile delinquency and noted that quarreling, irresponsible parents as well as overindulgent parents are responsible for most cases of delinquency. It was also emphasized that the problem of delinquency is society created and the control of the problem is the responsibility of all facets of the same society that creates it.

The cooperation and help of many organizations and homes in the county in working with boys and girls was pointed out by the officers of the juvenile court.

The Holland Public Forum seeks to stimulate constructive thinking and a better understanding of all questions and issues selected for public discussion and invites all interested persons to attend and participate in its meetings.

Sunday School Lesson

Our Need of God

Psalm 42

By C. P. Dame

Some Psalms are more beloved than others. Readers of the Book of Psalms like Psalm 42 much, it is a favorite of many because it expresses a mood which is not alien to godly people.

I. Every man needs God. Not all people are conscious of this need. However some are very conscious of their need of God. The writer of Psalm 42 is unknown to us by name. He was a devout man, who once had worshipped God with his people in the Temple but who now for some reason was not able to do so for he was far from Jerusalem. He describes his longing for God in the familiar words, "As the hart panteth after the waterbrooks, so panteth my soul after thee, O God. My soul thirsteth for God, the living God."

The word "thirsteth" indicates a deep yearning. Today many people thirst for fame, luxuries, power, pleasures, but the thirst for God is not too evident in the lives of people. It is also true that although on the whole more people have more to do than ever before there is much restlessness in many people's hearts. How can we explain this? Much of it is due to what some one called "hidden hunger" — a dissatisfaction with the inner life. Things cannot satisfy the deepest yearnings of the human heart.

When a person has a thirst for God he longs for the time to worship God. The Psalmist asked, "When shall I come and appear before God?" and this suggestion explains his longing to meet God again in his Temple. When people long for God they long for the privilege of worshipping him and of holding fellowship with him. Those who thirst for the golf course on the Lord's Day do not thirst for God.

II. Hoping in God sustains people. The Psalmist had pleasant memories of going to the Temple with God's people. When he had the chance to go he did not stay home as some do today. The thought of the past blessings saddened the Psalmist for he was now surrounded by the godless who taunted him.

Within there were unsatisfied yearnings and without there were people who had no feeling for him and his views or mode of life. In his soul there was a struggle between despondency and hope. This man did something we seldom do — he talked to his soul and asked, "Why art thou cast down, O my soul? and why art thou disquieted?" "Notice that he did not stop there but added the words, 'hope thou in God for I shall yet praise him for the help of his countenance.' This man had a faith which made it possible for him to hope for a better and a greater day. When a person has no faith he is defeated but as long as he speaks of faith he will rise to do greater things.

Not once did discouragement overwhelm the Psalmist completely. When sorrow reached a certain point then a change of mood came upon him and he got a new grip on God. In one verse he speaks of his troubles but in another verse he says that "the Lord will command his loving-kindness in the day time and in the night his song shall be with me." "When the night came he would reflect upon the experiences of the day and sing. Only a man with faith can do that. At times he seemed to feel that God had forgotten him completely.

Well, what Christian has not had such times, especially when he was reproached by the enemies of God? This unknown lover of God has given us words which are most fitting for times of doubt and difficulties — "Hope thou in God."

Minister Gives Advice To Woman's Club Group

"The faith to go higher and go deeper" is needed "When Life Tumbles In," Dr. August Hintz told members of the Woman's Literary Club Tuesday afternoon.

The noted minister of the North Shore Baptist Church, Chicago, drew from his experiences in dealing with people in Chicago and in other parts of the world in telling his audience some of the ways people can rise up after life does tumble in.

There are many areas that women especially face problems, he said. In marriage, he said, women often must have "many BA degrees," including — be attractive, be attentive, be appreciative and be aware of God.

When life tumbles in because of divorce he said a woman should hold her head high, keep up her standards, create new friends and group relationship, get busy and keep in touch with God.

In families children can often cause life to tumble in. Problems of teenagers especially were noted by Dr. Hintz. He said "there is no substitute for love." If children are in trouble and can go to someone who will understand and give them loving help even if they are unlovely, that will be the best help they can get.

In health, too, persons can have life tumble in. In that case, Dr. Hintz said "Use common sense, go to a doctor you can trust, benefit from your hospital experience, notify your minister, priest or rabbi and trust God." The time you spend in a hospital often will give you time to think, time to read, time to realize how many friends you have.

Issues of the state campaign were debated by State Sen. Clyde R. Geerlings and his Democratic opponent, Ralph Richman, at a monthly meeting of the West Ottawa Teachers Club Monday in the West Ottawa High School gymnasium. Club President Herbert Meattman presided. About 70 were present.

Most of the discussion revolved about federal aid to education and Michigan tax problems in which both candidates presented opposing views. Geerlings, chairman of the tax study committee, cited the need for a better business climate in Michigan if the state is to provide enough jobs for a growing population. Richman countered that the committee has had 10 years to work out its program.

The two candidates will appear again before city teachers in Van Haele school Oct. 31 at 2:45 p.m.

Dr. August Hintz

Even in time of death the speaker said, "remember what you have had, not what you have lost; admit the sorrow is for yourself; find talent to do something constructive; face problems one at a time and find a purpose in life."

Dr. Hintz told many anecdotes and especially told about Dr. Albert Schweitzer as an example of finding a cause. A person's life in this age must be made to count, he said.

NATIONAL NEWSPAPER WEEK IS YOUR WEEK, TOO

National Newspaper Week is 21 years old in the United States this year.

But individual freedom in the United States is 169 years old this year.

National Newspaper Week was initiated and is sponsored annually by Newspaper Association Managers, Inc., an organization of executive heads of national, regional and state newspaper publishers and press associations.

Our three great freedoms set forth in the Bill of Rights are "Freedom of the Press," "Freedom of Speech" and "Freedom of Religion." The free press of Colonial America paved the way for these basic freedoms which became fact with the coming into force of the Bill of Rights on December 15, 1791.

These freedoms belong to the people.

"Freedom of the Press" is not the property of newspapers, but of all the people . . . it is their guarantee of the right to know; their insurance against demagoguery. "Freedom of Speech" is not the property of politicians and platform speakers, but of all the people . . . it is their own guarantee of free and unafraid expression of their convictions.

"Freedom of Religion" is not the property of minister, priest or rabbi, but of all the people . . . it is their guarantee of freedom of conscience and of divine worship in accord with that conscience. signed to focus attention on these freedoms. A free press is the partner of the people in the effort to preserve these rights.

Newspapers promote National Newspaper Week, not from a selfish motive, but to emphasize these basic and vital freedoms, the partnership of press and people and the need for everyone exhibiting dedication and diligence in the eternal effort to preserve these freedoms.

Two days are set aside for particular emphasis: Newspaper Day which inaugurates the week on Saturday, Oct. 15, and Journalism Education Day, Monday, Oct. 17, sponsored for the first time this year.

It is of utmost importance we present a solid front for freedom in a world

Hope Falls Before Muskingum, 47-0

Dutch Blanked For 1st Time In 48 Games

Muskingum College's mighty Muskies mauled Hope College's football team 47-0 to spoil Hope's annual homecoming and hand the Dutch their first shutout in 48 straight games before 4,800 fans Saturday in Riverview Park.

It was the first time since the opener in 1955 that Hope has been whitewashed. In that game Eastern Michigan blanked the Dutch 27-0. But since that time, Hope scored in 47 straight games.

The setback was the worst for the Dutch since Wabash had recorded a 40-7 win in the home opener in 1956 and the blanking was one of the worst ever slapped on the Dutch.

Muskingum combined a strong power attack off the guards and tackles and mixed in an effective passing attack. The defense was superb. The Fighting Muskies, presently ranked 19th in the nation among small colleges, displayed one of the best teams ever to perform on the local gridiron.

Coach Ed Sherman, who feels this is his best team in the 16 years he has coached, said "We have good team balance and power... and we have Cooper."

Sherman was referring to 215-pound, 6'1"-tall Bill Cooper, Little All-America last season. A fullback, Cooper ground out 153 yards in 25 tries and boosted his ball-totting total this season to 568 yards in four games. Cooper has now out-gained the opposition's entire backfield in eight of the last nine games and the Muskies have won seven straight over two seasons.

Cooper churned off tackle and as he was hit he would lift his legs high and rotate them while the Hope tacklers tried to get a hold. Then as the tacklers slipped off, he would continue and was only brought down on "gang" tackles.

He scored two touchdowns for the Muskies bringing his total to seven this season. He tallied on a one-yard smash in the third quarter, the lone Muskingum third period tally and scored on a five-yard run for the first of three Muskie fourth period touchdowns.

Hope took the opening kick on its own 16 and John Vandenberg returned to the Hope 40. Vandenberg then ripped for 11 yards to the Muskie 49 and Sherman's Vander Woude followed into the middle for 14 yards. Ken Visser then tried to reverse to the Muskingum 31, fumbled and Phil Wenger recovered. And that was the game.

The Muskies took over and scored in 11 plays with quarterback Jim Burson rolling out for 11 yards. Hope tried one series and punted and the second time Muskingum got the ball they advanced from their own 20 in seven plays and Burson again rolled out for the final six yards.

A 34-yard pass from Burson to end Clyde Benninghoff who pulled the ball away from Vandenberg on the Hope six was the key play. After failing on the first extra point try, Burson, playing under the NCAA 2-point rule, rolled out for the extra point after the second tally and Muskingum led 14-0.

Ron Dierks scored the third touchdown on a 25-yard pitch out play early in the second quarter and the Muskies led 20-0 at half.

Wade Mabry intercepted a pass on the Hope 46 after Cooper's two tallies to set up the sixth score. Llewellyn Thompson ran the final five yards and the last touchdown tally was scored with 3:32 left in the game when Dick Anderson drove over guard for three yards.

Anderson kicked an extra point after Thompson's tally and Burson ran for two points after Cooper's first touchdown to account for the scoring. Burson's two points gave the Muskies a 28-0 third period lead.

The winners gained 384 yards on the ground and completed nine of 12 passes for 528 yards, probably the most yardage ever run up against Hope. Sam Miller, 26-year-old Ohio State transfer, was the second leading ground-gainer with 46 yards in nine carries.

Hope netted 51 yards rushing and 54 yards passing. Ken Visser led Hope with 30 yards in 11 carries; Vander Woude, 26 in six and Vandenberg, 19 in seven.

NOTES — Muskingum College officials were impressed with Riverview Park and its fine turf. They were surprised to find that all football games in Holland are played on one field and that it is in such good shape.

Rich Bakker, Hope tackle, received a slight shoulder separation in the game and Neil Goodrich received a head injury. Both are expected back this week. Hope sported new orange pants with a blue stripe, flanked by two white stripes down the side.

Coach Russ De Vette felt that Hope's loss of the ball on its first drive and then Muskingum's ability to take over and score had a big effect on the Hope club. Hope gained 49 yards rushing in the first half and made one first down in the second half.

Hope's first penalty, a five-yard illegal procedure came with 2:17 left in the half. They were also assessed five yards in the second half. Another five-yard Hope penalty, with 1:20 left in the first quarter, was refused by Muskingum.

The Muskies first penalty came with 10:41 left in the second quarter and was 15 yards for clipping.

It was the first time in history that Hope has played Muskingum. The contract was for one year and was signed a couple years ago.

Dutch Seconds Win 5th Tilt

Holland High's reserve team scored in every quarter to wallopp the Grand Rapids Union seconds, 39-20 for its fifth straight victory Saturday at the Zeeland Athletic Field.

Union scored 13 points in the first quarter to Holland's six but the Dutch dominated the rest of the game and Coaches Tom Carey and Carl Selover emptied the bench and 40 players saw action.

Carl Walters scored Holland's first touchdown on a 45-yard intercepted pass in the first quarter. The second Dutch touchdown came in the first period when Tom Alfieri recovered a fumble on the kickoff in the Union end zone.

Chuck De Witt had kicked off and the ball rolled in the end zone.

The third quarter tally came on a 26-yard pass from Walters to Mike De Vries and put Holland in the lead. Tom De Puydt ran 20 yards in the second quarter for a touchdown and Tom Essenburg carried for 15 yards and the third quarter tally.

Walters scored the final touchdown on a 10-yard bootleg and kicked two extra points. De Puydt passed to De Vries for the other extra point.

Seeks Money From Zeeland School System

GRAND HAVEN (Special) — Damages of \$207,300.85 are being sought by Mrs. Lois J. Baar, administratrix of the estate of the late John Roger Baar of Zeeland, from the Zeeland Public Schools as the result of a fatal accident during the Zeeland-Fremont football game in Zeeland Oct. 30, 1959.

Baar died of injuries on Nov. 4, 1959, received when he was struck on the head by a heavy metal reflector which fell from the field's elevated lighting system.

Mrs. Baar claims the defendant was negligent and failed to install or properly install adequate safety devices to prevent heavy metal reflectors from falling and also negligently located banks of lights directly above the spectators bleachers area. Baar was seated in the bleachers.

Mrs. Baar also claims that the school failed to maintain the light system in a safe condition and allowed the system to become defective and dangerous to the public, thereby failing to exercise due care in the operation of the stadium, despite repeated warnings to responsible school officials that the lighting system had become dangerously defective.

Baar was survived by his 32-year-old wife, five-year-old son, Thomas J. and a seven-months old daughter, Susan Beth. Mrs. Baar claims she is deprived of her means of support and the services of her husband to the amount of \$130,000.

She is also seeking \$35,000 for the support maintenance and expense of education of her son and \$40,000 for the daughter; plus medical, hospital, funeral and burial expenses for \$2,300.85. Baar was employed as a plant cost accountant at Summer Chemical Co.

Miss Kempthorne Feted At Camp Fire Reception

A reception Sunday afternoon from 3 to 5 p.m. at the Warm Friend Hotel honored Miss Edith Kempthorne, who joined the National Camp Fire Staff in 1915 as the organization's first Field Service Director.

More than 100 Camp Fire Girls from Blue Birds through Horizon Girls, their leaders, Camp Fire Council Board members and guests heard Miss Kempthorne trace the early days of Camp Fire and tell about the exhibits she had brought.

Miss Kempthorne, affectionately known as "Alaska" to all Camp Fire members, is now a resident of New Zealand. At the time she first heard about Camp Fire, she was a music teacher in Alaska. In 1911 just a year after the founding of Camp Fire by Dr. Luther Halsey Gulick, she formed two groups in Alaska.

In 1916 Miss Kempthorne helped launch the first "Birthday Pro-

ject" called "Baby Kits for Belgian Babies."

Some of her exhibits included, an early "memory" book from her Alaska group, with everything written in Hiawatha meter; also her own ceremonial robe and a bolero jacket covered with insignias of armed forces of all nations of the world, presented to her by servicemen during the war.

She urged all girls to try for as many and as varied honors as possible in Camp Fire, for many girls were able to find their life's profession, while performing a Camp Fire honor.

Members of the Board of Directors of the Holland Area of Camp Fire Council served as hostesses and served punch and coffee and cookies. Mrs. J. D. Jencks was in charge of refreshments. Mrs. Russell Hornbaker is president of the Council. The Holland Council is an agency of the United Fund.

WE HAVE HAD MORE THAN ENOUGH

As our forefathers, under God, gave us the best form of Government ever devised, which has through our past efforts, given us more of the things men desire than are enjoyed by any other people, why not adhere to it?

For myself, I have had more than enough of Khrushchev, Castro, and Lumumba and their dictation of how we should conduct our national policy.

Having in mind, as always, our desire to be helpful and charitable to other people, let us, nevertheless, rededicate ourselves to the preservation of our own national sovereignty, our individual independence.

Remember, we have an opportunity on November 8 to assist in determining whether we retain our sovereign power as a nation, our freedom as individuals or permit others to order our future.

Sincerely yours,
Your Congressman

AAUW Panel Discusses Union of South Africa

Interest in Africa was stimulated Thursday night when the

American Association of University Women, Holland Branch, presented a film and panel discussion on the Union of South Africa. The International Relations Committee with Mrs. Morris Reed, chairman, Miss Nella Meyer, Mrs. Lowell Heneveld and Mrs. H. J. Knutson, formed the panel.

Reasons for the slow development were told in their talks. The physical aspects of Africa, the climate, language barriers, religion, lack of education and disease were among the topics. The provinces of Katanga, Ghana and Nigeria, newsworthy currently, were discussed.

Speakers pointed out that African students who wish to go to Russia to study are given their support, education and transportation to and from Russia. Of 2,000 studying abroad, only 200 selected the United States.

Speakers pointed out that the age of the men who are running the country now are 28 to 40. In the film "Portrait of a Troubled Land—Union of South Africa," natives give their views on the apartheid, claiming it is used as oppression rather than separation.

During the business meeting a date was mentioned for an evening with Nella Meyer, who will show her slides and talk about her trip to Africa this past summer.
